

99A.6 Licenses revoked — appeal.

If, upon the hearing of the order to show cause, the issuing authority finds that the licensee intentionally possessed or willfully kept upon the licensee's licensed premises any gambling device, then the license or licenses under which the licensed business is operated, or used in the operation of such business on the licensed premises, shall be revoked.

Judicial review of actions of the issuing authorities may be sought in accordance with the terms of the Iowa administrative procedure Act, [chapter 17A](#). Municipalities acting as issuing authorities shall be deemed state agencies solely for the purposes of bringing their actions under [this chapter](#) within the terms of [section 17A.19](#). If the licensee has not filed a petition for judicial review in district court, revocation shall date from the thirty-first day following the date of the order of the issuing authority. If the licensee has filed a petition for judicial review, revocation shall date from the thirty-first day following entry of the order of the district court, if action by the district court is adverse to the licensee.

No new license or licenses shall be granted the licensee, nor for the same business if it is established that the owner had actual knowledge of the existence of the gambling devices resulting in the license revocation, upon the same premises, for the period of one year following the date of revocation.
